

Back to the Bay 2024

Through SB 1440, the Student Transfer Achievement Reform (STAR) Act, students are guaranteed admission into the CSU system. Students who have earned a verified Associate Degree for Transfer (AA-T or AS-T) from a California Community College, and who have been admitted to a Cal State East Bay major that is deemed similar, are guaranteed to be able to complete their baccalaureate degree within 60 semester units.

Benefits of the ADT Program

- Guaranteed admission to a CSU, but not necessarily to a particular campus or major
- Admitted with junior standing
- Receive priority admission consideration, see the California Promise page for more Information
- Able to complete the baccalaureate degree in a major that is deemed similar to the ADT within 60 semester units at CSUEB. The guarantee is forfeited if a student changes their major
- All lower division General Education requirements are satisfied as part of the student's community college coursework, including Second Composition

**Students must still complete the American Institutions / US Code requirements after transferring, if not completed within their lower division GE

CA Promise Benefits

- The California Promise is a program established through California Senate Bill 412 to facilitate graduation in four years for freshmen, and two years for transfer students.
- Advising specific to graduating in four years for frosh; two years for transfers
- Early registration time within their registration group (Example: Juniors in the California Promise Program are assigned registration times before other juniors.)
- On time completion of your degree can save you money.

CA Promise Program Requirements

- The Students must satisfy the requirements below for continued enrollment in the program :
- Have a timely degree plan (two years for transfers, four years for frosh) completed by the end of your first term at Cal State East Bay.
- Successfully complete 30 units towards your degree every academic year at Cal State East Bay (including Winter and/or Summer session).
- Complete your degree program within four years if you are a frosh or two years if you are a junior, beginning with the first term of enrollment.
- Maintain good academic standing, a GPA of 2.0 or above at Cal State East Bay.

- Complete all required courses on the first attempt with the minimum grade requirements for your major, including minimum grade requirements for prerequisites (check the catalog).
- Remain in your admitted major. If you apply to change majors, you must receive approval from your advisor who will verify that the change of major will allow you to graduate in the same timeframe.
- Register for classes during your assigned California Promise priority registration window (within the first 24 hours of your registration appointment) and pay fees by the required deadlines.
- Address (clear) any registration holds prior to your assigned registration window.
- Take required classes when they are offered, regardless of scheduling time.
