The Executive committee was informed about the financial aid landscape for CSUEB headed into the 2019 deadline. *Featuring a presentation by Financial Aid Director Isabelle Mora. Isabelle Mora and Karima Karim* gave a brief presentation informing the board and requesting their help. Students who do not submit their FAFSA by March 2nd they will be impacted by the amount of aid they receive. Federal awarding is based on first come first serve and based on the family income. **Karima Karim** will be the liaison for the board. The workshops are advertised for students to complete their FAFSA and their Dream Act application but they are not limited to this, students are more than welcome to attend the workshops and has for help in regards to the appeals or if they have any questions. There will be evening workshops for housing students and there will be food at each workshop.

14:19**D. INFORMATION ITEM- Class Gift**

The Executive committee was informed about the annual CSUEB class gift. Featuring a Presentation from Richard Watters from Alumni Engagement. **Richard Watters** works in the Alumni Relations office. Last year they started the class gift in which the class would be donating funds for scholarships. They would like to continue the matching gift in which ASI would match with \$5,000 and Alumni association would match the gift. Last year the students rated where they would want the funds to go to that would help the students. This would be a continuous amount they would hope ASI would take in. **E. Pinlac** believes it is a great way to give back.
