DISARC UPDATE

DISSC

The Diverse Inclusion Success Center is a safe room/space for all students/staff to just enjoy themselves and to let them be themselves. Whether it's listening to music, watching some anime, studying together, or just chilling in the space, or possibly taking a nap, this space is for all people who feel they need a space for themselves. Whether we hold events or we are all chilling in the room together, this place is supposed to be a place that's building a community where all people feels safe.
