

Cal State East Bay Speech, Language, and Hearing Sciences Strategic Plan, Fall 2018 Executive Summary

Mission Statement

The Department of Speech, Language, and Hearing Sciences provides student professional and professional training in speech language pathology and audiology, which is founded on state and national standards, evidence-based practice, research, and science and technology, to prepare them to serve persons with communication disorders and their families in an ethical and culturally competent manner.

Vision

The Department of Speech, Language, and Hearing Sciences at Cal State East Bay will deliver

Strategic Goals

Goal 1: Build departmental strength through recruitment and retention of qualified faculty.

Goal 2: Enhance growth in faculty scholarship and productivity

Goal 3: Enrich the academic and clinical training experience through innovative instruction that meets the needs of our pluralistic communities.

Goal 5: Develop and enhance external clinical faculty and programs.

The department will work on these strategies from all department stakeholders as it re department.
